THE LOG
EDITED BY
THE SENIOR CLASS
COLUMBUS INDIANA
HIGH SCHOOL

ELIZABETH GIBSON

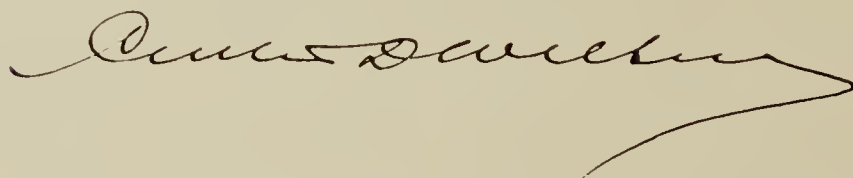

DEDICATION

To Miss Carrie Ong, who has devoted her entire efforts to promote the betterment of Columbus High School, and who has accomplished so much with this view in mind, WE DEDICATE THIS BOOK.

The "Log" of the Columbus High School has my best wishes. I feel sure that it records a successful year and as on board ship depicts the course that has been steered in the various school activities. To those who graduate it will be a reminder of work and play and the friendships that go far to aid and make pleasant the setting of sail for life's cruise. May it also be a reminder of the sea, and the men who serve there, and of duty and of love of Country.

A handwritten signature in cursive script, likely "Louis D. Sullivan", with a long, sweeping underline that extends to the right.

SCHOOL

E.J. GIBSON

Our Superintendent

By his efficient leadership, Mr. DuShane, our Superintendent, has won a name for himself as superintendent of Columbus High School, and also the whole-hearted cooperation of the entire school system.

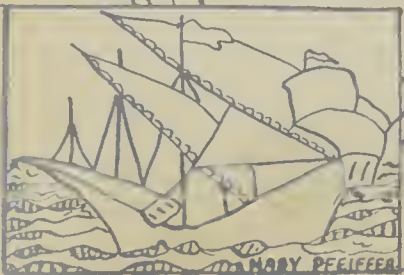

Mr. DuShane came here from Clinton, Ind., in 1918, and during the nine years that he has been the guiding hand, the standing of the Columbus school has been raised to prominence in the scholastic rating of Indiana schools.

Our Principal

Mr. Robert Lambert, Principal of Columbus High School, came here from Anderson, Ind., where he was head of the English Department in their high school. After completing his high school education at Marion Normal, Mr. Lambert attended Muncie State Normal and Indiana University, graduating from the latter in 1916 with an A. B. degree. He was graduated later from Chicago University with an A. M. degree. Under his faithful guidance the school has risen to one of the best in the state and is respected by every student. Mr. Lambert also served as Faculty Advisor on this book.

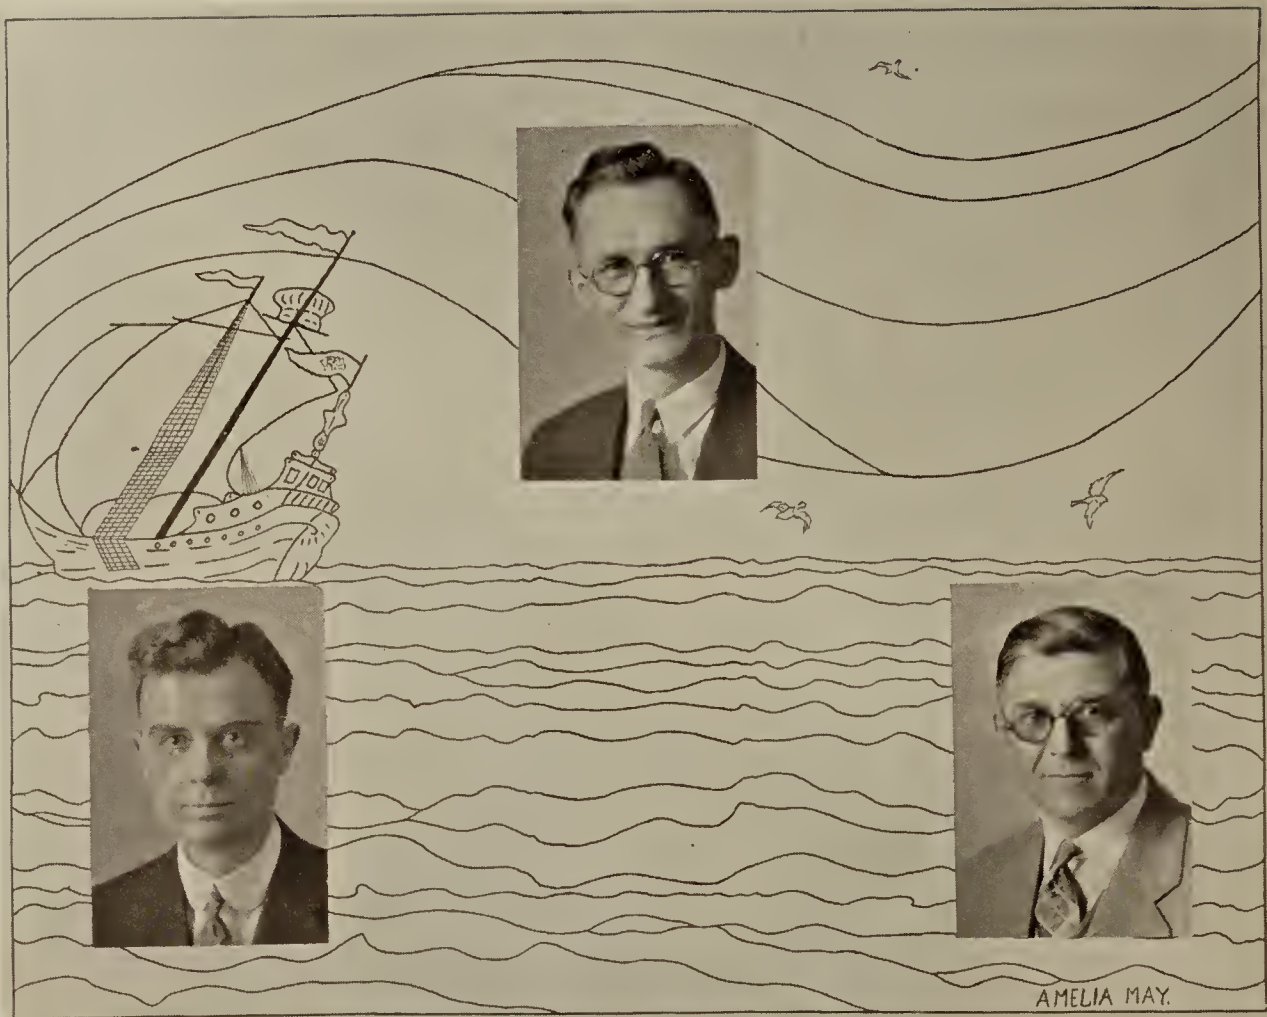

Our Dean

Mrs. Lucretia S. Condo, Dean of Women, who for several years has been the head of the Latin Department, is always to be remembered. Those who have studied under her know that she is much more than a teacher to them. She is kind, patient and sympathetic to everyone, not only in Latin, but in all their many trials of school life. May she continue to carry on her good work and may we continue to appreciate her.

E. PAUL LOCKMAN
President

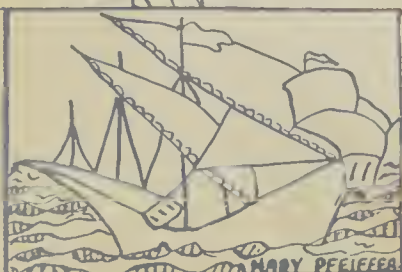

NOBLE E. McKNIGHT
Corresponding Secretary

CARLOS S. FOLGER
Treasurer

The School Board

Owing to the willing efforts of the School Board, C. H. S. has been equipped with the most up-to-date facilities and most capable faculty. For the past year Mr. E. Paul Lockman has fulfilled the duties of President and under his able guidance the schools of Columbus have made rapid progress. Mr. Noble E. McKnight has served as the corresponding secretary for the board. His services have been very much appreciated. To Mr. Carlos S. Folger, this year, fell responsibility of Treasurer, which position he has fulfilled with great ability.

In behalf of the Senior Class we wish to use this as a medium through which to express our gratitude for their efforts.

The Class of 1927

As years roll on and days of youth slip from our minds, there is one spot which will never be forgotten by the Class of 1927. This is C. H. S., the place of many hardships and trials but yet where we grew from girlhood and boyhood to womanhood and manhood. Although many times things looked blue and it seemed as if we would never accomplish our one purpose, which was to be a graduate of C. H. S., somehow we managed to pull through and always we recovered ourselves. At the first meeting the class election was held. The honor of class officers fell to Ned Williams, as President, Melvin Virden, as Vice-President, Pauline Wagner as Secretary, and Esther Trautman, as Treasurer.

The next great fete of our career was the Junior-Senior Reception, which was the most brilliant reception ever given by any class. Every Senior appreciated this and it was enjoyed heartily by members of the Classes of '26 and '27 and members of the C. H. S. Faculty.

The Class Play, the outstanding event of our last year, was presented by possibly the most capable staff ever selected. "Honor Bright" was selected and was coached by Miss Carrie Ong.

No one will ever forget the Class of '27, the class which accomplished so much.

The Junior Class

The Juniors, our class of '28, have achieved great success during their high school career that shall never be forgotten by any member of our class.

We sailed into this port of career in the year 1924, and embarked at a place labelled Freshmen. Oh, how we did live up to the name and standards of a Freshman. We shivered and shook at the approach of a Senior. However, we quaked only slightly at the sight of a Junior or a Sophomore. And, much to our delight, how those Sophs enjoyed yelling "Green" at us. We always had a soft spot in our hearts for those blessed Juniors who did their best to shield us from our other taunters.

Then, after the first year of greenness, we again entered our ship, Preparation, sailed farther up the river of Education, and this time landed at the port called Sophomore. We were advancing. Ah, how well we knew it, for now we were privileged to yell "Fresh" at the fresh, young things who were just now entering the port labelled Freshmen. This year was spent in gaining a new dignity which seemed necessary to our new place in high school life. Sophomores! How our hearts swelled at this new title, and how we scorned anything and everything which claimed our cast aside label. We then began to take our places in school activities.

Those months of new stateliness soon rolled by. Now the bud had blossomed, for we were full fledged, honest-to-goodness Juniors. We had merely crossed the dividing line, but what cared we? We were Juniors! It was rumored that some of the passengers of our ship were forced to enlarge

Fourth Row—Thomas Collins, Charles Fodrea, Wayne Brougher, Gerald Haislup, Raymond Fehring, Robert Huntington, Clifford Foltz, Robert Bloomenstock, Lesley Baker, Charles Cox.

their hatbands at this point. We wonder why? This voyage up the river had not seemed quite so rough and long as before. Our goal now was to be given the royal titles of Seniors. We progressed, however, until we were almost to the edge of the cliff of this port. We could travel only a little farther now on this ground called Junior. Nevertheless, we, as the saying goes, made hay while the sun shone. As inhabitants of this port, we were now aiding the Dramatic Club, Sorosis, Forum, Glee Club, P. H. C., Sketch Club, Hi-Y, and athletics.

In the Junior's mind, however, his highest achievement was attained when he was summoned to even the most minute place on the Log or Triangle Staff. Some of our loyal members were worthy of this honor and received it. Many of our boys, strong and weak, tried out for our revised football team. It was later observed that a large percent of the team consisted of Junior boys. Some of these husky fellows also made a place either with the fighting Bull Dogs or with the victorious Bull Pups. In the Dramatic Club Christmas play, "The Christ Child Comes In," much splendid and amusing talent was shown by our trustworthy Juniors. It was circulated that Weldon Payne will receive a medal the last day of school for his ability to speak pieces and retain mustache at the same time. Some of the most efficient debaters in Sorosis and Forum have been members of our class. P. H. C., the girls' athletic we are proud to say, had as its president during the year 1926-27 Dorcas Schwaninger, another passenger of the ship. Miss Edenburn once secretly expressed a thought that the Glee Club could never have existed without Julianna's soprano. Here, again, another shipmate came to the front. We were conscious in the month of December of a sudden fad for red ties among

Page Forty-Five

1927

First Row—Dorothy Wright, Bonnita Weeks, Mina Quillen, Kathrine Newland, Anna Mae Miller, William Sharp, Evelyn Jewell, Esther Thomas, Ethelwyn King, Virginia Smith, Margaret Rominger.

Fourth Row—Lawrence Smock, Robert Irvine, Clyde Tanner, Jefferson Smith, Valentine Vogel, Byron McLean, Arthur Schwenk, Herbert Kiel, Wendel McKinney.

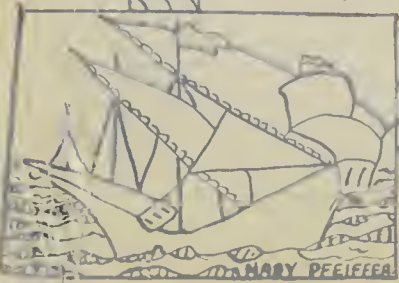

some of our Junior lads. We couldn't decide whether this was a significance of patriotism or whether a certain little blonde Sophomore had expressed her liking for red ties. It was finally settled, however, by the announcement that the Hi-Y Club was forcing all pledges to appear in this conspicuous neckwear.

The Junior Class, it seems, did remarkably well in the Christmas Seal sale which was held in December. With colors flying, this class came in to—last place. Nevertheless, regardless of their defeat, much good spirit and loyalty was shown by them. We did have a lot of fun though, didn't we, Juniors? Mr. Newland was our loyal sponsor through thick and thin.

We were then ready to take our last voyage up the river. Before we endeavored to take this fourth important sail, we decided that we were badly in need of a captain and a crew. Therefore, Mr. Lambert, the one who guides us in that well known universe called Columbus Hi, summoned the Juniors to attend a meeting on March 8. There he advised us about choosing our officers. During this meeting, William Sharp was elected Captain of our ship. This efficient young man will fulfill the duties of class president. We will all have to agree that Bill is small but mighty and he is very capable of steering our ship into smooth waters. Next, the shipmates decided that Robert Huntington had the ability to be first mate. Therefore, he has the responsibility of vice-president. Bob's loyal enthusiasm is a great factor for our Junior class. We then lacked another crew member. After another serious conference among the passengers, it was announced that our choice for this officer was Sara Champion. She will perform the important duties of Secretary-Treasurer.

Page Forty-Six

THE LOG

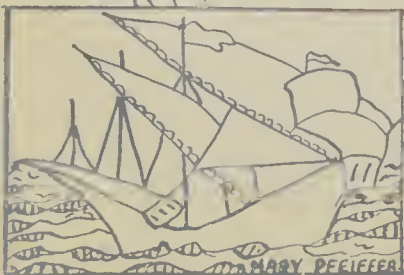

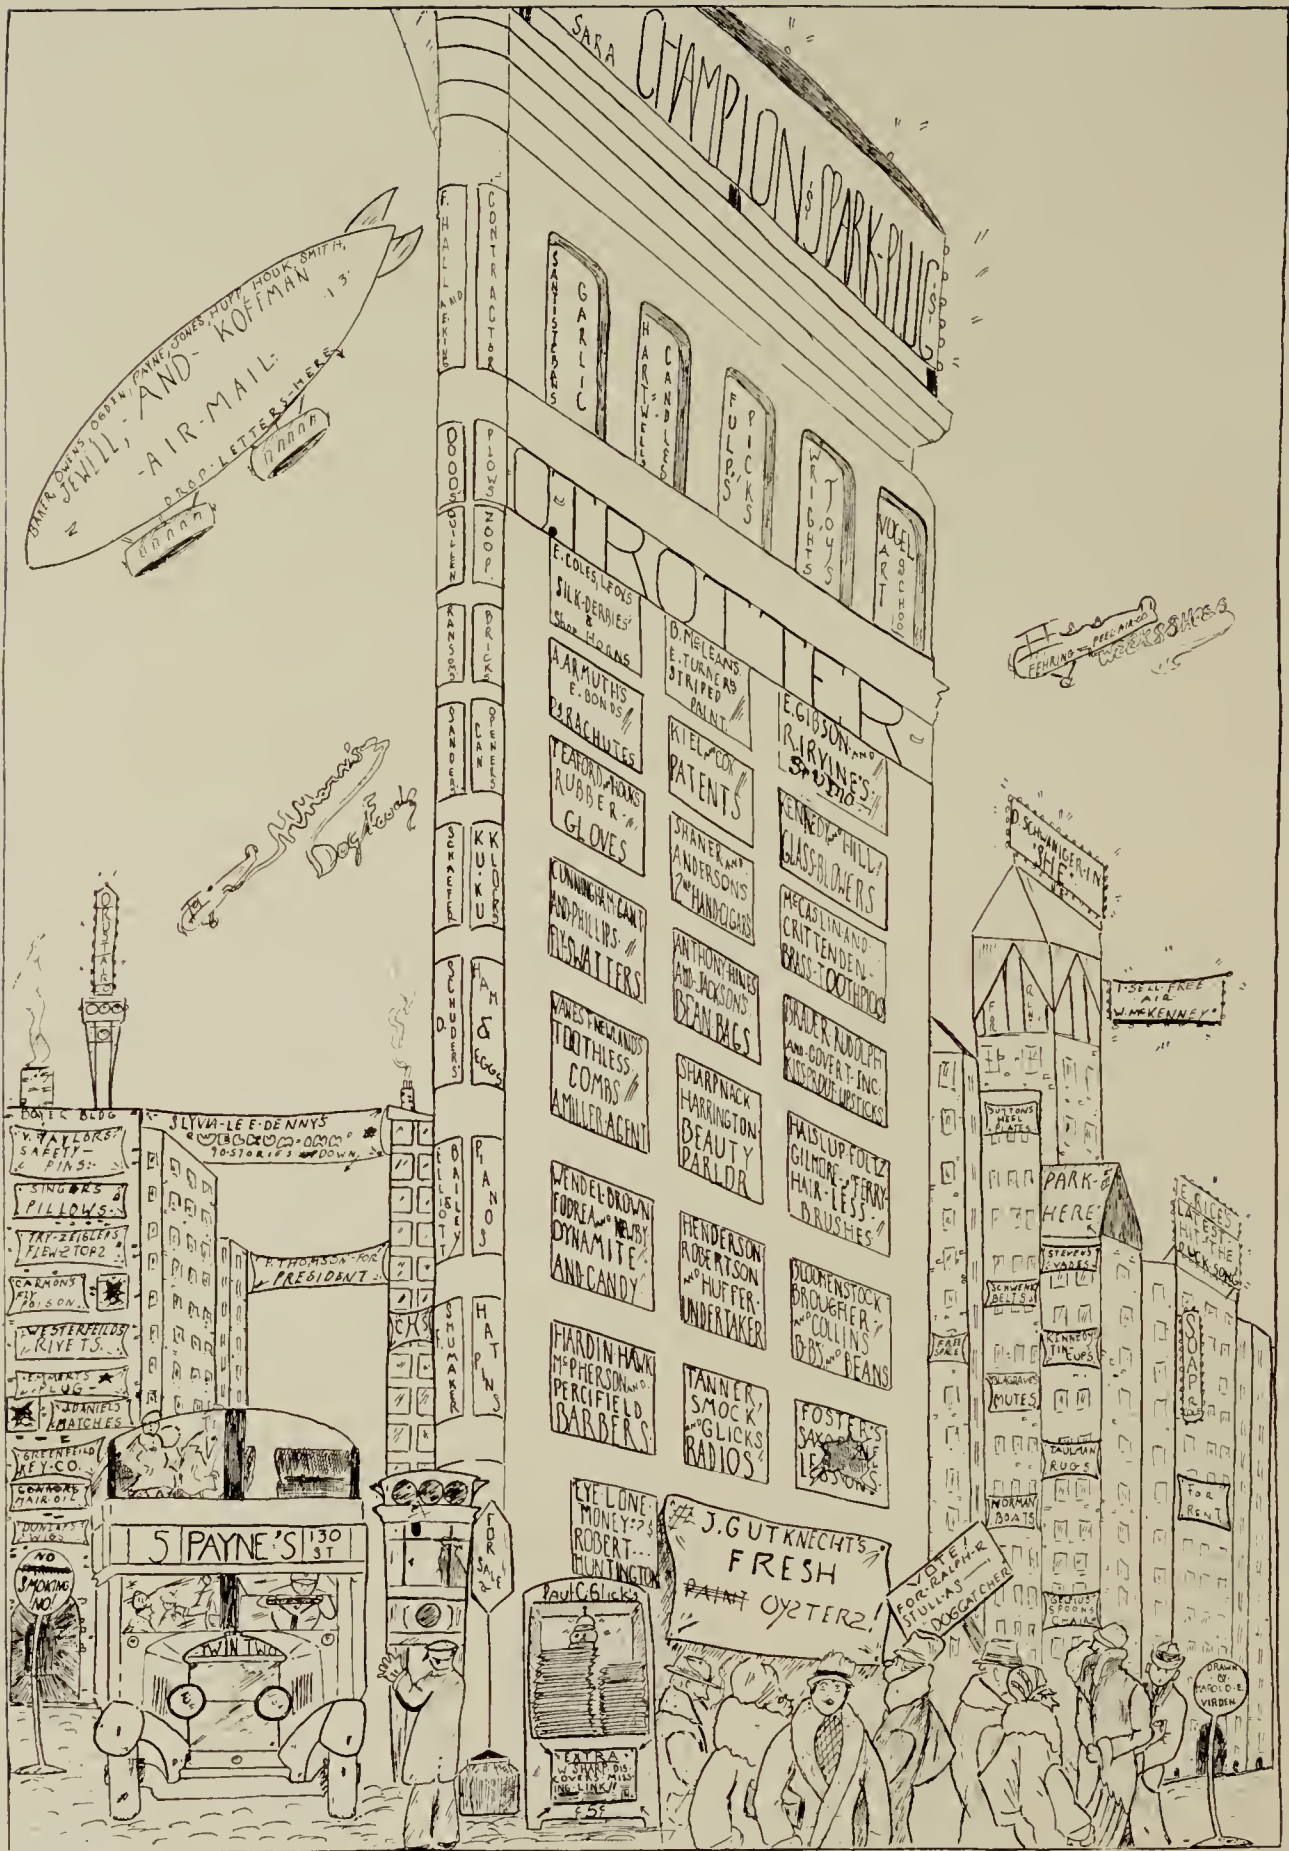

Front Row—Marshall Shaddock, Mary Bennet, Geraldine Glassner, Jessie Stickens, Mildred Brazil, Frances Cooper, Gladys Black.

Third Row—Donald Neese, Walter Weddle, Dale Carson, George Gividen, Marshall Deitz, Calvin Wright, Henry Evverroad, Donald Ortell, Joseph Tross, Carlos Vail.

Sara, as we all know, is one of the most pleasant and well liked girls in C. H. S. We are sure that she will do her best to help her ship and shipmates to come through victoriously.

These officers have been wisely chosen. Our anxiety for the safety of our ship can now be cast aside, for this crew is capable of bringing it through rough waters as well as smooth.

We also want to bid farewell to the Senior class. Our wish for them is that they might find success in life. They proved themselves to be a wide-awake class and we sincerely hope that we may follow in their path. They have a right to be proud of their 1927 Log and Triangle. However, we have high hopes for ours. The class of 1927 reached success through the careful co-operation of the officers and members. Likewise, the class of 1928 will come through victorious because of the co-operation of the captain, the crew, and the shipmates.

First Row—Helen Tull, Charles Watson, Lucille Irvin, Esther Dutro, Rosalin Marshall, Roberta Gaddis, Wilma Pfeiffer, Maxine Robertson, Josie Spies, Robert Leinberger, Mildred Wells.

Fourth Row—Harold Loy, Charles Long, Robert Holland, Wayne Huffman, William Staples, Maurice Imel.

Sophomores

Sometimes when we should be studying, we let our minds wander back to when we started school, or even before that when our troubles had not yet begun. Then we were small children—even smaller than these Freshmen. Step by step we climbed a ladder, each rung of which was a semester. Some of us paused on certain ones of them, and others went up two at a time, according to our ability, but nothing stood out much until we reached the eighth grade. There we were treated very nicely and respected by the whole school as all graduates are. However, one thing annoyed us very much. This was that some of the High School students were calling us “sub-freshies.” Then we began to realize that all our wonderful days of Junior High School were soon to come to an end, and that we would be the smallest and most made-fun-of people of High School instead of the most respected people of Junior High School.

Last year, since it was unavoidable, we accepted the ridicule of those who seemed to be so much above us, and made the best of it. In Algebra they even

Front Row—Chloral Coons, Crystal Craig, Mary Gates, Agnes Lohr, Thelma Dobbs, Edith Alexander, Edith Gates, Martha Evans, Mary Burns, Jean Lewellen, Hazel Fox, Marguerite Burns, George Doup.

Fourth Row—Glenn Harrington, Robert Huffman, Earl Crooks, Lester Adams, Lawrence Growe, Russell Kelley, Maurice Hill, Billy Bush, Joe Burns, Robert Kemper, Harold Adams.

tried to prove to us that one equals two. (We could find nothing wrong with the proof, but it certainly did not sound right to our mathematical ears.) While we were 9-A's we enjoyed life much more, since we were better acquainted with the strange ways of High School.

Now we are one step higher, wearing the name Sophomore. We Sophomores are the most insignificant people of the school, since we are neither humble Freshmen nor noble upperclassmen. The Freshmen are conspicuous because they are the fun of the entire school, and the upperclassmen are more dignified and always elect officers, an affair which sounds very dignified. We have a sympathetic feeling toward the Freshmen, since we still have a vivid remembrance of the experiences of last year.

The success of the Bull Dogs this year was largely because one of the players is a Sophomore. We are also proud to say that several of the Bull Pups are Sophomores. These boys, who are fine players now, and whose High School career is only one-half over, certainly will be stars in playing basketball when they are Seniors. We predict that the graduating class of 1929 will be a large one, for there are now one hundred and forty-nine enrolled in this Sophomore class.

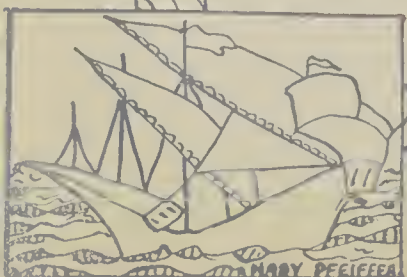

Front Row—Meriden Stanley, Frances Noblitt, Charlotte Reeves, Rosanna Smith, Mary G. Stadler, Myrtle Wayt, Mabel Sass, Mabel White, Mary Phillips, Margaret Speers, Harriett Milnes, Joe Stuckey.

Fourth Row—Stanley Shaw, Milton Michael, Raymond Phillips, Archie Trotter, Walter Miller, Lawrence Ritz, Eldo Nolting, James Wagner.

Now we have begun to think seriously about what line of work we shall prepare ourselves for. Some of us think that we are having a hard time now at school, but when we are older and out in the cold, cold world, we will know that life has many harder problems than our lessons at school.

Most of us envy the Seniors, but maybe some of the Seniors envy us, and would like to live their school years over. If they do, that means that we should make the best of the advantages given to us now.

Next year if we find out that Mr. Lambert is still handing out little prescriptions with Latin and other hard courses listed, we shall probably come back and swallow the medicine so that we may have more knowledge of worthwhile subjects.

First Row—Ralph Kirby, Glen Fulkerson, Gwyn Howland, Roy Hege, Winifred Grider, Marianna Brinker, Elizabeth Bishop, Florence Buhner, Eva Arnholt, Bertha Gressel, Edna Armuth, Buhrl Conner, Marie Kleinhaus, Charlotte Bolte, Edward Huffman, Raymond Foltz, Lawrence Evans, William Allen, John Bearhope, James Baker.

The Freshmen

All good things have humble beginnings. Every organization of any worth has a primary foundation. Its fundamentals have a definite start.

Just so is our old C. H. S. Its Freshmen represent the beginning of a future body of citizens who will be a help and an honor to Columbus and its High School, wherever they are, because they were a part of a good beginning.

Sometimes these "Freshies" are scoffed at because they are just at the seemingly unimportant beginning, but it is little realized how important these beginnings and beginners are, by the ridiculer who forgets that he owes what success he has had to his first year of high school life.

In our athletics, nothing pleases the coaches more, at the first budding of activity, than to find a sufficient number of Freshmen who are willing and have the ability to become assets, to become honors for their school through hard work and a willingness to start at the very beginning, who have four

years ahead in which to develop into athletes who will carry their school and their teams far above the average line of success.

Often a school is dragged down because of bad habits or morals acquired by the student body—in the Freshman year. Every disturbance made in the high school world may have its origin traced back to the time when the person or persons implicated were bad Freshmen.

All school organizations depend largely on the Freshmen who are constantly coming in to take the places of those who are going into the world to make their various fortunes, which depend on the particular type of Freshmen they were.

The world has required many years in which to carry on primary functions toward building and developing. For many years man was primitive to the last degree, because a firm understanding of life had to be. Had he not have had that extent of time to study and use his knowledge and to establish a foundation on which the future rests entirely, the world's present high standard would certainly not be.

All things, to endure, must have firm foundations.

Page Fifty-Five

The foundation of the giant skyscraper has been laid. Slowly it will rise, to tower with sturdy grandeur against the sky, defying all of nature's worst elements. Sustained by an enduring base, it will express both permanence and stability.

Business, to remain firm and strong through all the changes of time, must also be built upon an enduring foundation—the solid rock of character and principle.

All this contributes to the fact that the Freshmen are a vital thing to a high school.

The "Log" Staff

The planning and publication of an annual is a responsible and an extensive undertaking. Much has been expected regarding the annual of the Class of 1927. We hope that all concerned will not be disappointed, but if you are, please do not be too severe in your criticism.

The staff has endeavored to produce a "Log" that shall be the pride of acknowledgment to the Class of '27. The staff has had a great deal of pleasure and an equally great amount of work in producing the "Log." At times the grind appeared dull and the work tiresome and tedious, but the immortal words used by the Editor-in-Chief to sail on and on, enabled the staff to reach its goal. The editors and assistants are worthy of much recognition for the efficiency of their work pertaining to the aim of originality and to the idea of scholastic unison.

The "Log" of 1927 owes its unlimited success to the cooperative efforts of the staff, members of the faculty, and of the Art Department of Columbus High School.

The "Triangle"

Front Row—Left To Right—Betty Brown, Freshman Editor; Dorothy Kennedy, Junior Editor; Dorothy Schwaninger, Society Editor; Marjorie Houk, News Editor; Nina Sharpnack, P. H. C. Club Reporter; Elizabeth Foster, Art Editor; Ruth Coles, Music Editor; Louise Suhre, Sophomore Editor.

May Physical Training Exhibition

The May Physical Training Exhibition was given in the High School Gymnasium on Friday, May 7, 1926, at 7:30 o'clock by the girls physical training classes, under the direction of Miss Eloise Hanson.

The program for the evening consisted of three parts. The first part was entitled "The Doll Shop," which was a very interesting and cleverly portrayed story of the marvels in mechanical dolls owned by a very old shop keeper. The large stage was equipped as a doll shop and many vari-colored and beautifully clothed dolls were in the shop.

Page Sixty-Four

THE LOG

The second section of the program was devoted to reed, club, wand and bell drills, taught to the classes by Miss Hanson during the regular class periods.

The third division of the program consisted of the entrance, crowning, and exit of the May Queen. A very spectacular May Festival and May Pole Dance was given by a group of attractively costumed girls. The honor of May Queen was given to Miss Velma Fulks. Miss Virginia Reeves crowned the May Queen. The Queen was beautifully dressed in an exquisite white georgette dress, trimmed in silver beads. The stage was attractively and artistically arranged and this together with the May Queen Procession presented a spectacular sight.

The Industrial Department

The industrial department of the Columbus High School has been developed to the point where it is serving a growing need of the community for training in mechanical arts and commerce. This department of the school compares favorably with that of other schools in the leading cities of Indiana, in quality of work and in instruction.

There has been a noticeable improvement within the last two years. During this period one new course has been added to the curriculum, namely Auto Mechanics. The aim of this course is primarily to familiarize students with mechanical principles and the care and maintenance of automobiles, with some aim to develop practical mechanics. Its greatest value lies in that it serves to orient the pupils in the whole field of mechanical arts.

There is a course in Drafting given, which puts a certain amount of emphasis on tool technique, but the major stress is put upon the interpretation of blue prints, combined with a general knowledge of graphic arts.

In the Wood Working department attention is also given as in the other courses, to trade information as well as to the art of Wood'Work and Cabinet Making in all its refinements.

The purpose of the Machine Shop is to give the students the right knowledge and accuracy in the handling of the different hand and machine tools.

Its Agriculture department is doing a great deal of work in preparing the pupils for one of the nation's most important occupations. Special emphasis is laid on improvement of stock and seed, resulting in economy and conservation in the matter of crops and soil development.

The Vocational Department also conducts a night school for the benefit of those who wish to improve themselves by learning some useful trade, or to receive instruction in some particular study. The number of students who attend show that it is well appreciated by the people of Bartholomew county.

The C. H. S. Alumni Association

In 1872 graduates of Columbus High School assembled in the old high school building and, in order that interest in school affairs might be preserved, organized the alumni association. At this meeting Old Gold and Cream were adopted as the organization's colors and the daisy was chosen as its flower.

The organization celebrated its fiftieth anniversary in May, 1922. At this meeting, Mrs. George Pence, one of the three living charter members, delivered the opening address.

The association has given many plays, the most recent being "Circus Solly," a comedy which was extremely successful.

The alumni association has always taken a very great interest in the High School. Each year a reception is given to the graduating class. From time to time gifts have been made to the school. This year the organization presented the school with a memorial to Mrs. Lucretia S. Condo. The Memorial, which is in the form of a life-size portrait, is the work of Miss Marie Goth. It will be placed in our Alma Mater's Hall and in future years, be a reminder of the many years of efficient service rendered to the High School students of this community by our able Dean of Women, Mrs. Lucretia S. Condo. The present officers of the association are H. K. Volland, elected life president in 1896, James Jewell, vice-president, Lela Dipper, secretary, and Lillian Fahy Miller, treasurer.

Junior-Senior Reception

The Junior Class held the annual Junior-Senior Reception in the High School Gymnasium on May 22, 1927. This was the predominating and outstanding social event of the entire school year.

The decorations caused much surprised comment from all who were privileged to be present. They were by far the most striking and beautiful that have been seen in recent years at the school, and they made the spacious floor a fitting scene for such an event. These consisted of beautiful flowers, ferns and palms. The entire lower floor was beautifully decorated with the high school colors, blue and white. In the center of the gymnasium was an artistically placed and decorated fountain, which was effectively lighted with a soft red light.

A very delightful and enjoyable program, which was followed by a short speech of welcome by William Sharp, the Junior President. The Senior President, Ned Williams, responded. Immediately after this, the grand promenade was held. Excellent music was provided by the Voyles Melody Boys. Dainty refreshments were served, after which small parasols, paper hats and balloons were given to the guests.

The Seniors will never cease to remember their last year at Columbus High School, and the Junior-Senior Reception will always be remembered as the most pleasant social event of their departing year.

THELMA WASS

ATHLETICS

EJ GIBSON

Our Coach

Coach "Bill" Dobbins became a member of our faculty five years ago and has served in the capacity of basketball coach and athletic director very efficiently. Mr. Dobbins is a graduate of Indiana University, where he acquired his ability in basketball and as an athlete. Each year he has succeeded in putting a better team on the floor and has made the Bull Dogs a team to be feared by every high school in the state. However, Mr. Dobbins decided that since he took a course in law as a side line to athletics, he should make it of some practical use, so he persuaded the voters of our county to elect him to the office of Prosecuting Attorney. We want him to know that all the students are backing him and wish him all success possible, but we sincerely regret that he cannot remain as our coach.

Front Row—Ray Eddy, forward; Virgil Blagrove, guard; Louis Schinerer, guard; Homer Percifield, center; Donald Ortell, forward.
Second Row—Francis Kline, forward; Leonard Shaw, guard; Ival Clarke, guard; William Dobbins, coach; Dallas Gelfius, forward; Robert Irvine, guard; John Daniels, forward.

The C. H. S. Bulldogs

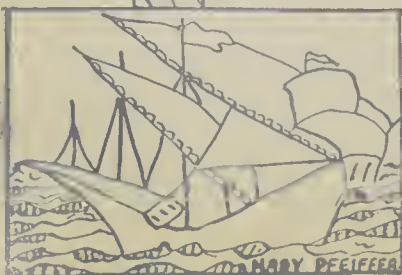

Although being Prosecuting Attorney of Bartholomew County, Coach "Bill" Dobbins this year produced the best team that Columbus has had for many years. Fifteen of the twenty games scheduled were won and the five lost were lost to three different teams. Martinsville and Logansport both won two games from the Bull Dogs, while Connersville won the other game early in the season. The Bull Dogs later avenged this defeat by humiliating them to a score of 58 to 27. Franklin, Shelbyville, Greensburg, Vincennes and Bloomington fell before the Bull Dogs twice while Connersville, Bedford, New Castle, Rushville and Greencastle were defeated once apiece.

Practice was commenced early in the school year and was held almost daily. Every member of the team trained hard and did his best to gain more glory, not for himself but for C. H. S.

Columbus received the tip-off in almost every game through the efficiency and height of "Red" Percifield, the leaning tower of our team. Gelfius, Eddy, Schinerer and Shaw completed the fastest five man offense in this section of Indiana.

The enthusiasm this year was the greatest it has been here for some time, the Gymnasium being filled on several occasions. This had part to do with the success of the team.

Schinner, Shaw, Gelfius, Percifield, Eddy, Clark, Blagrove and Kline received honor sweaters. Prospects are exceptionally bright, since members of the second team, which won every game scheduled, are only Freshmen.

Basketball Schedule

October 29, 1926—Here—Greensburg, 31, vs. Columbus, 46.
November 5, 1926—There—Connersville, 39, vs. Columbus, 33.
November 12, 1926—There—Logansport, 53, vs. Columbus, 34.
November 19, 1926—Here—Martinsville, 42, vs. Columbus, 36.

February 11, 1927—There—Greensburg, 27, vs. Columbus, 39.
February 18, 1927—There—Shelbyville, 33, vs. Columbus, 44.
February 25, 1927—There—New Castle, 21, vs. Columbus, 46.

SECTIONAL TOURNAMENT AT SHELBYVILLE

March 4, 1927—Boggs town, 12, vs. Columbus, 51.

March 5, 1927—Mt. Auburn, 17, vs. Columbus, 52.

Shelbyville, 27, vs. Columbus, 22.

Total opponent score on schedule, 667.

Total Bull Dog score on schedule, 840.

Total opponent score in tournament, 56.

Total Bull Dog score in tournament, 125.

Gelfius developed into one of the fastest forwards in the state. His grit and ability to drop in longs has been the despair of all opposing teams. He graduates this spring.

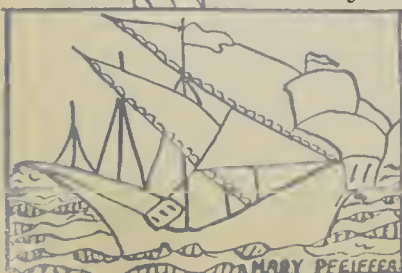

Clark, reserve backguard, has proved himself very capable in that position. He has plenty of pep and drive and has the ball his share of the time. He graduates this year.

Kline was a valuable reserve man this year. He has a world of scrap and is a fine defensive man. In the offensive his basket eye can usually be counted on. This is his last year.

Piercefield, our center, was a sub last year but developed one of the best centers C. H. S. has ever known. The key to the Bull Dogs' attack was his ability to gain the tip off. Red graduates this year.

Eddy, forward, began his career with the Bull Dogs last year. His greatest asset is his ability to make under-the-basket shots. He has two more years.

Schinnerer was assigned the job of floor guard three years ago. He is a fast and elusive offensive man and keeps the opponents on edge constantly. He graduates this spring.

Blagrove served as substitute back-guard last year, but due to an injury incurred during the football season he has been held as a reserve center this season. This is his last year.

Shaw, our back-guard, proved a decided asset to the team. He is a clean and fast player and despite his size is an excellent guard and his loss will be felt this year.

NEWSOM

Mr. Newsom, physical training director and coach of the Bull Pups, has served in that capacity very efficiently for the past several years. He has always produced fighting teams and supplied winning material for the Bull Dogs.

HENNESSEY

To Mr. Hennessey was assigned the task of producing our first football team for years and he made good. Our football coach received his training while playing on the Hanover College team.

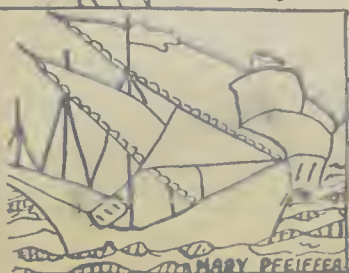

HANSON

"Pat" Hanson has been the girls' physical training director in C. H. S. for the past six years. Four years ago a girls' basketball team was organized under her leadership and has been scratching around under the name of "Kittens" ever since.

GILMORE

Johnny Gilmore, a graduate of C. H. S. in '25 and a member of the varsity that year, was appointed when "Bill" Dobbins was elected Prosecuting Attorney of Bartholomew County. John has worked in both the grades and high school. His services have been very important.

Our Yell Leader

"Cork" served as our yell leader this year and had a great deal to do with the team's success. This is his third year as yell leader and as statistics show, people improve with age. Although short and a little small, "Cork" did his best and every member of the student body respected him. Enthusiasm was great this year and if it had not been for this boy we would not have won our games. "Cork" has one more year.

Page Seventy-Five

1927

GREENSBURG

The Bull Dogs opened the net season with a 46-31 victory over Greensburg. The score at the end of the half was 20-14 in our favor. In this game the Bull Dogs showed the fans some real team work.

CONNERSVILLE

The Bull Dogs lost a hard fought game to the Spartans, 39-33. The principal trouble that night was that the Bull Dogs seemed unable to stand up long enough to shoot. Although the Dogs held the score down to 16-15 at the half, several counters from the center gave the Spartans the edge.

LOGANSPORT

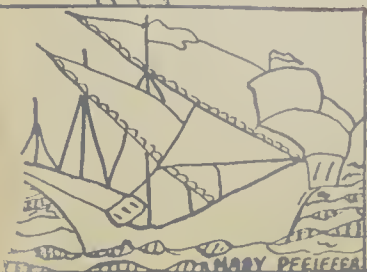

Our team seemed unable to get together the first half of this game and the result was that the score stood 28-10 in favor of the Loganberries. The second half the Bull Dogs rallied and fought the rest of the game on even terms but were unable to overcome the lead. The final score was 53-34.

MARTINSVILLE

The Artesians returned to their city with a 42-36 victory. The Bull Dogs took the lead but after taking time out Martinsville came back at them so hard that at the end of the half the score stood 27-13. The second half the Bull Dogs out played the Artesians but a six minute stall saved their day.

VINCENNES

The Alices provided the Bull Dogs with a fine Thanksgiving treat, the score being 37-26 in our favor. The game was interesting but slow, neither team scoring heavily the first half which ended 16-14 in our favor. The second half the Bull Dogs cut loose with some fine pass-work and fast under-the-basket shooting and swept the Alices from the floor.

GREENCASTLE

Thanksgiving dessert was provided by the Greencastle quintet. A second half rally on the part of the Bull Dogs caused our hosts to go down to a 46-32 defeat. The first half was a real fight, both teams putting all they had into the game. When the score stood 40-23 our reserves were sent in to finish the good work.

BLOOMINGTON

The first half of this game was played pretty evenly, the score being 11-9 in favor of Columbus. However the Bull Dogs produced another second half rally with such dazzling speed and clever dribbling that the game ended with a 33-18 victory for Columbus.

RUSHVILLE

Previously Rushville has been Columbus' jinx but the Bull Dogs chased the Lions back over the hills with a 61-26 victory. The Bull Dogs showed excellent passing and teamwork and had no trouble getting through the Lions defense. Their shots were all made from under the basket.

LOGANSPOUT

The Logansport crew again defeated Columbus. The visitors showed some wonderful team work and accurate shooting, the first half ending with the score 33-11 in their favor. However the Bull Dogs came back the second half and played on even terms with the Loganberries. The game ended with the score 59-36.

FRANKLIN

The Bull Dogs, backed by several carloads of fans, journeyed to Franklin and defeated their old rivals. Franklin fought hard but clever team work gave our team a 44-36 victory. The first half was 26-17 but the second half Franklin rallied and played on even terms.

CONNERSVILLE

Revenge is sweet! The Bull Dogs simply massacred the Spartans and the first half ended 25-7. The second half the visiting crew didn't do so bad but Columbus outplayed and outclassed the team in every way. The game ended 58-27.

BLOOMINGTON

This game was a thriller from start to finish. Both teams fought hard for the lead and scored almost evenly the first half which ended 20-19 in our favor. The second half was fast and furious. With five more minutes to go the score was 27 all. Then the Bull Dogs opened up some fast dribbling and passing and came away with a 36-29 victory.

SHELBYVILLE

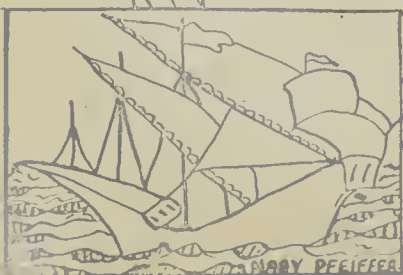

The Bull Dogs chalked up another victory over the Camels. The Camels tried a stalling game but failed and the Bull Dogs piled up a score of 31-5 the first half. The second half the Dogs didn't try to play but the Camels resorted to long shots with such success that the game ended 49-31.

BEDFORD

The Stone City crew was outclassed and outplayed by the Bull Dogs with the result that they suffered their first defeat of the season. The first half the teams were pretty evenly matched until the last few minutes, the score being 21-17 in favor of Columbus. The second half Columbus played rings around Bedford and went off the floor with a 45-29 victory.

MARTINSVILLE

The Artesians drowned the Bull Dogs with a 51-27 defeat. The game started off fast but Martinsville drew away from Columbus and ended the half with a 25-16 score. Although the Dogs brought the score to 25-23 the Artesians again pulled away and the game ended 51-27 in their favor.

FRANKLIN

After holding the Bull Dogs all through the first half the Franklin defense weakened and Columbus piled up the score. The initial half was tied at 21 all, but the second half the Bull Dogs completely outclassed the visiting team and made the last home game of the season a 57-33 victory.

VINCENNES

This game was a thriller from start to finish. The Alices penetrated the Bull Dogs defense the first half, but inaccurate shooting kept the score down to 11-8 in favor of Vincennes. However, another second half rally on the part of the Bull Dogs, who had evidently found the key to the Alices' defense, gave Columbus a nine point victory, the score being 33-24.

GREENSBURG

Columbus again defeated Greensburg, this time by a twelve point margin. The game was smooth and fast but the Bull Dogs were at no time in danger. The initial half ended 16-13, but the second half the Bull Dogs stepped out and chalked up a 39-27 victory.

SHELBYVILLE

The Bull Dogs again caged the Camels. Accompanied by three hundred fans and the band our team journeyed to Shelbyville and proceeded to win one of the fastest games they had played this year. The score at the half was 21-11, but the second half was played on more even terms, the game ending in a 45-33 victory for Columbus.

NEW CASTLE

The Bull Dogs rounded up the schedule with a 46-22 victory. The game was a case of speed and teamwork against weight and reach. Although the Trojans fought hard the score at the half was 19-12. The second half the Bull Dogs knuckled down to work and more than doubled the score.

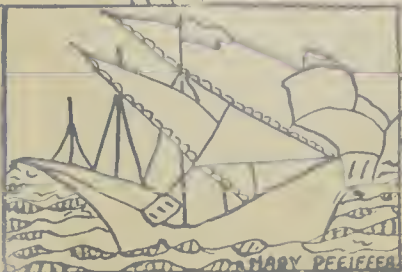

Front Row—Beverly Tooley, center and forward; Arthur Poore, center; Paul Fehring, guard; Chester Beck, guard; Robert Holland, Guard.
 Second Row—Orville Wright, forward; Robert Collier, forward; Arville Trotter, forward; Wilford Bottorff, forward; Robert Huntington, guard; Ralph Huntington, guard.

Bull Pups

Coach Newsom succeeded in producing the best Bull Pup team this year that Columbus has ever had. They went through the season without a defeat, winning all of their eighteen scheduled games. The best thing about this team is that it is entirely composed of underclassmen, one Sophomore, two Juniors and eight Freshmen. Since the majority of our Bull Dogs graduate at the end of this year, our varsity for next year will, for the most part, be made of material taken from this quintet. Needless to say, we expect a record breaking team of Bull Dogs in '27-'28. Team work and speed were the main factors in the success of Newsom's team this year. With Fehring as backguard our opponents found it extremely difficult to score and the speed and team work of Beck, Trotter, Colliers, Holland and Tooley or Poore played havoc with their defense. These fellows have made a record to be proud of and we expect them to uphold their reputation next year.

Mr. Newsom, coach of the Bull Pups this year, deserves much credit for his faithful guidance of this team and should be praised very highly.

Front Row—Cleo Hartwell, Clarabelle Beatty, Ruth Summa, Nina Sharpnack, Florence Cox.
Second Row—Helen Clark, Ruth Fulkerson, Garnet Lane, Miss Hanson, Coach, Mabel Sass, Etta Louise Robertson, Sylvia Denny.

The Kittens

The Kittens, the girls' basketball team, played four games this season, two of which they won. The first game of their schedule was played with the strong North Vernon team, which the latter won by a score of 25 to 5.

The second game was played on our home floor with Greenwood. The Kittens won this easily by a score of 48 to 8. Each girl on the team was playing her best, thereby winning by a large margin.

The return game with North Vernon was much more exciting and close than the previous one. The first half ended with the Kittens in the lead and they held it until the close of the game, the final score being 32 to 27. The game was a hard fought one, both teams playing a good brand of ball.

The last game of the schedule was played against the Black Diamonds of Scipio on their floor. This game proved to be a disastrous one for our girls, Scipio winning by a score of 26 to 10.

When the season closed, each of the Kittens organized and coached a Junior High School team. After the Juniorites had acquired a fair conception of how the game was played, a tournament was staged. The Kittens' ability as coaches of these younger students proved their thorough knowledge of the game, thanks to Miss Hanson's efforts as a coach.

Next year's team will be the same as this year's with the exception of the two Seniors, Clara Belle Beatty, forward, and Ruth Summa, jumping center. Miss Hanson hopes to develop a winning team and is planning to schedule more games. We know the Kittens will have the support of all the students of the Columbus High School.

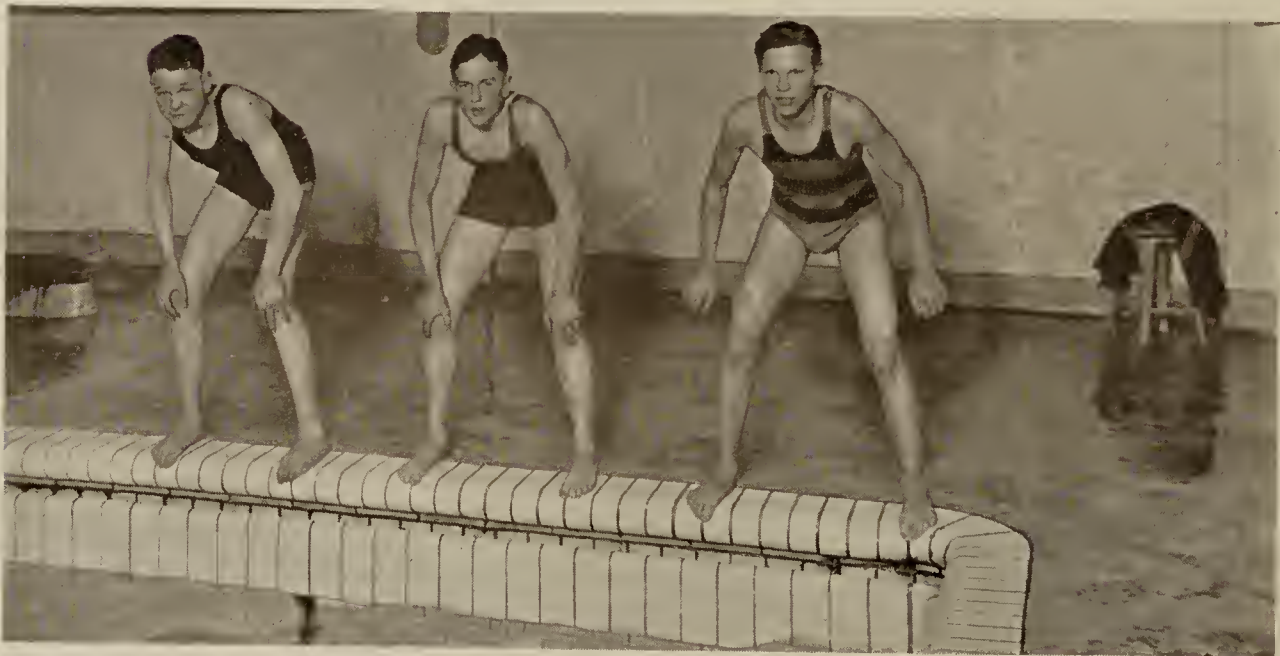

Football Team

Front Row—Arville Trotter, Robert Marshall, Sam Harrington, Stanley Shaw, Howard Hutton, Francis Kline, George Shaner, Joshua Knight, Francis Taylor.
Second Row—Joe Smith, Weldon Payne, Walter Wendel, Paul Fehring, Lawrence Newsom, Paul Glick, Robert Anderson, Herman Trautman, Robert Huntington.
Third Row—William Hennessey, coach; Basil Malson, Ival Clark, Harley Curtis, Virgil Blagrove, Dallas Collier, Everitt Burbrink, Robert Irvine, Edgar Snyder, trainer.

The Swimming Team

Arville Trotter, James DuShane, and Francis Kline.

Baseball

Front Row—Francis Kline, George Shaner, Lewis Schinnerer, Homer Percifield, William Dobbins (Coach), John Beatty, Donald Everroad, Paul Fehring, Robert Collier.

Second Row—Harry Shaner, Robert Holland, Floyd Haislup, Robert Anderson, Chester Beck, Charles Fodrea, Herman Trautman, Valentine Vogel, Wilfred Bottorff, Robert Irvine, Henry Everroad.

Track

Front Row—Ray Eddy, Dallas Gelfus, George Hurley, Dallas Collier, Donald Neese, Samuel Harrington, Virgil Blagrove.

Second Row—Paul Fehring, Arthur Swank, Lawrence Newsom, Paul T. Glick, Beverley Tooley, Frank Newsom (Coach), Roy Sampson, Marshall Shaddock, Harold Bradley, Robert Holland.

Football Echoes

(After a strenuous season, but a happy one, of football and after a trip to a football camp, the author, after receiving his reward, was inspired to write these few lines, dedicating them to Coach Hennessey and the principal, Mr. Robert Lambert, whose wonderful leadership will always be remembered.)

The by-gone days come back once more
As we think of the times o'er and o'er;
When we played the game for old Columbus High,
Hoping that football would not die.

The days were sultry and crowds were shy,
But the fighting spirit would not die;
We fought, we tackled, we played the game,
Trusting that football would win lost fame.

Our coach stood by us like a man,
And when the great game always began,
He played the game as hard as two,
Telling us "master-like" what to do.

Then our principal could generally be seen
Driving us in his "Hup" machine.
He guided us safely through the season,
Without a doubt or any reason.

The game was new to most of us,
And we sometimes got in an awful muss;
Those days came but now they're gone,
The memory of them still lives on.

Like all life's games that are so hard,
We've come to the day of our reward;
This is small but we hold it dear,
And we'll remember it for many a year.

We spent many days down in the hills
Doing hard work and having great thrills;
But alas! our football days are done,
The prize we sought now is won.

We haven't won so much great fame,
But nevertheless we've started the game;
We'll hope to see it as the years go by,
Stand unconquered in the public eye.

BASIL E. MALSON.

Page Eighty-Five

1927

Joe Smith (in trouble again) —Mr. Lambert, what would you do if you were in my shoes?

Mr. Lambert—I would point the toes toward the door and give them a start.

Mr. Newland—What do we have water analogies in Physics for, Edward?

Ed. Fiddler—To keep the subject from becoming too dry.

Roger Vincent's mouth is so big they used his toothbrush to paint a barn.

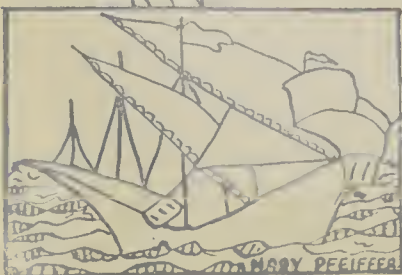

Mr. Newland—It is the law of gravity that keeps us from flying off the earth.

Bob Tross—But, Mr. Newland, how did we stay on the earth before the law was passed?

Miss Lewis—What three words are used most among high school students?

Malcolm Berger—I don't know.

Miss Lewis—Correct.

Page Eighty-Seven

1927

Bateman Parker—Have you heard the Butcher Song?

Josephine Kyte—No, what is it?

Bateman—Butcher arms around me, honey.

Mr. Newland—What is Barium, Robert?

Robert Anderson—The undertaker's motto.

Miss Winans—What is a chiropodist?

Donald Neese—The fellow who teaches canaries to chirp.

Bob Cook—Dad, what makes the earth go round?

The Governor—Son, how many times have I told you to keep out of the cellar?

L. S.—You can't make a fool out of me.

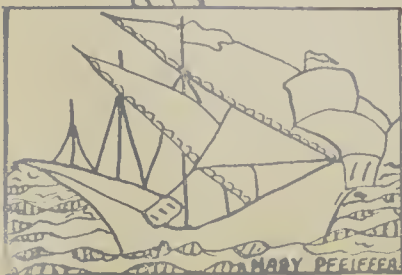

C. B.—No, nature beat me to it.

Speaking of absent-minded professors, did you know of the one who slammed his wife and kissed the door?

Red P.—Is it proper to call a man born in Poland a Pole?

Miss Murray—Certainly, Homer, why do you ask?

Red P.—Then a man born in Holland is a Hole, I suppose.

Page Eighty-Nine

1927

DEPRECIATION

Miss Crowe—What is depreciation?

Alice Armuth—If you do anything for a person and he doesn't thank you for it, that is depreciation.

Mr. Rice—What do you understand by "The Second Empire?"

Herman Trautman—The Second Empire is a party called in to settle disputes over decisions in the World's Series.

Miss Hofer—Show the importance of the inventory in the home and in business.

Wayne Hoffman—The inventory could invent more things in the home because he could be alone with his work. If he didn't want to be alone, he could go into business for himself or with some one else.

B. K.—Mamma, why has grandpa so few hairs?

Mother—Because he thinks so much.

B. K.—Then why have you so many?

Mother—Now, Willie, you run right out and play.

BUSINESS IS BUSINESS

Miss Hofer—Joe, if you were an accountant in a business house, and a fire occurred, what is the first thing you would do?

Joe Tross—Open a fire sale.

A LIGHT FALL

When he fell out of the window did he hurt himself much?

No, he had on his light fall overcoat.

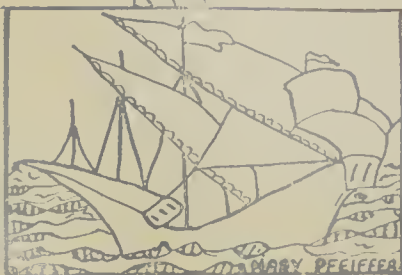

OCCULT BOOKKEEPING

N. Fulp—How did you list the money the fortune-teller got from you?

Smock—I entered it under the head of "Prophet and Lost."

Mr. Dewey—You aren't one of those boys who drops his tools and scoots as soon as the bell rings, are you?"

Franklin Everroad—Not me. Why, I often have to wait five minutes after I put my tools away before the bell rings.

Page Ninety-One

1927

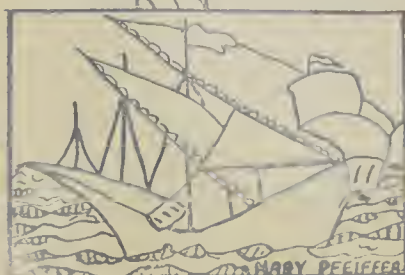

Mrs. Condo—Translate "Rex fugit."
Marjorie H.—The king flees.
Mrs. Condo—That's the perfect tense, use has.
Marjorie Houk—The king has flees.

We learn by our mistakes.
We make a mistake by not studying.
Then by Axiom 13
We learn by not studying.

Joe Essex—"Would you accept a pet monkey?"
Amelia May—"Oh, I would have to ask my father. This is so sudden."

A woman is at the bottom of everything, said the farmer as he pulled his wife out of the well.

Judge (at the end of trial)—Not guilty; the case is dismissed.
Mose—Boss, does I have to return the chicken?

“A UNIFORM and unsurpassed quality in plate making, combined with an intelligent service endowed with the spirit of co-operation and friendliness, is a policy which has been an important factor in bringing the Indianapolis Engraving Company to a position of leadership in both the commercial and school annual field.

THIS BOOK ENGRAVED BY
**THE INDIANAPOLIS ENGRAVING
COMPANY**
Wulsin Building Indianapolis, Indiana

Buick Model 128-54 C 4-Passenger Country Club Coupe

In the 18 months that the Buick has been sold here by the Clark-Schwarz Company, it has made rapid progress. The outstanding supremacy of the Buick in this city can be noticed by the number on the streets of this city. Touring or detouring, it's all the same to a Buick. Mr. Schwarz, who attended Indiana University, has co-operated in many ways to make this book a success. May this progress continue.

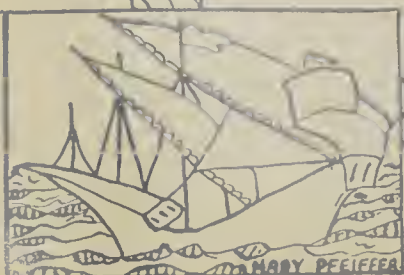

"WHEN BETTER AUTOMOBILES ARE BUILT, BUICK WILL BUILD THEM"

Maximum Service for the price paid. This, the home of Hart-Schaffner & Marx and Learbury College Clothes extends to the fullest degree. Their store front, already the most attractive in the city, has been newly popularized by a Free Toledo Scales. It is estimated that over two hundred high school students weigh on these daily. The new line of Learbury Suits has the latest college styles which no other dealers can show.

THE RUNABOUT

\$360

F. O. B.
DETROIT

The Ford Runabout in either Blue or Brown represents unusual value for those who seek a good looking small car of recognized dependability. Low initial cost and economical operating expense particularly recommend the Runabout as the personal car for young people, as well as for wide business usage. Side curtains, opening with doors, starter and four balloon tires are standard equipment.

REEVES AUTO COMPANY FORD DEALER

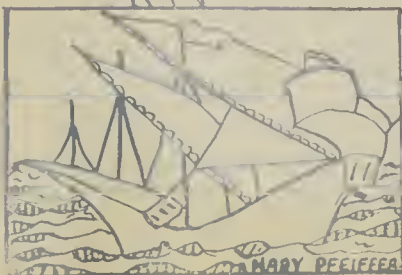

Appearances count. Correct wearing apparel furnishes the appearance. Dell Brothers furnish the correct wearing apparel. Such is the confidence of quality that the three brothers, Charles, William and Nicholas, have built up in the ten years they have been in Columbus. Another important factor of this popularity is their spirit of satisfaction at a reasonable price. All this, together with an attractive show window and room and the experience of the proprietors bring this popularity so well deserved.

DELL BROTHERS

THE LOG

PIONEERS OF PROSPERITY

The service of Electric Light and Power is essential to the continued growth and development of Columbus. As a purveyor of comfort and convenience, the Interstate Public Service Company is a vital factor in the every day life and progress of Columbus. It is a pioneer of prosperity.

Electric Service is a community builder. But as a community is fundamentally composed of human beings, so, back of the service which the Interstate renders, you will find men and women such as you and I.

"Interstate Service" is at your command night and day the year 'round. We have your interests at heart. All we ask in return is your patronage and good will, as this constitutes our reward and an inspiration to serve this community better.

INTERSTATE
Public Service Company

IN Columbus there are industries of the various kinds, one of the most interesting of which is one that was established here but recently—a paint factory. Right here in Columbus is manufactured the paint you use, or ought to use, in painting your house; the varnish, etc., you use to finish your woodwork; as well as other articles in this line. Mr. C. H. Becker, the enterprising manager of this company, is one of Columbus' best boosters.

E. E. Stillabower

The advent of the "FRESHMAN MASTERPIECE" into the radio world has caused a definite reaction. The Freshman, with its attractive models plus ease of control and prices that enable every man to own a radio, has won recognition, in being named "The World's Greatest Radio." Our authorized dealer has sold and served his patrons so excellently that he has broken records in the sale of sets, having sold over two hundred. With the announcement of the single control models, a radio fan could make no better investment than in a Freshman.

SUCCESS

What is success and how shall it be attained? Success in business. Success in life. Success measured in dollars. Success measured by duty: Which shall it be? And what is Success? Success—that elusive thing which most men chase from youth to age—only at last to hear the words of the old philosopher ring in their ears: “Poor devil, what does their success amount to; if the thing is unjust thou has not succeeded.” But this store will deserve it. Dollars are perhaps more necessary today than ever before, and most of us have had at times an itching palm, perhaps, but the success measured by mere money has never appealed to us. Nor does it command success in the judgment of those whose judgment and opinions count for anything.

A BUSINESS EDUCATION PAYS

We train young men and young women to grasp the BIGGER OPPORTUNITIES.

Our students may look forward to something BIGGER AND BETTER THAN ROUTINE POSITIONS in business. In our courses they receive the Training that fits them eventually to step into positions of responsibility, such as Supervisors, Executives and Business Managers.

FREE EMPLOYMENT DEPARTMENT

Our institution maintains for the benefit of our graduates a thoroughly organized Free Employment Department. We place our graduates in positions where they will have the opportunity to earn promotions steadily and rapidly.

Students may enter any Monday, DAY or NIGHT. Call at our office for any information desired.

THE LOG

When you Win at Basket Ball

the other team loses the game. To be sure, its members gain valuable training and experience and are satisfied with that, if they have done their best and are good sports. BUT, when you win out, or succeed, financially, physically, intellectually or morally, it need not be at the expense of anybody else. Building a good character helps and does not harm one's associates. A trained mind is an asset, not only to its owner, but also to his profession and his community. A sound body will enable you not only to play competitive games, but also aid especially to work hard and effectively, with a clear mind, for the common good, as well as for yourself and your family.

So, also, the habit of saving and of spending wisely not only makes you independent and respected; it also adds to the strength and prestige of the town you live in; it builds up community industry and trade and aids general prosperity.

Begin now to save, select a strong and conservative bank and start a savings account. Come to

IRWIN'S BANK

Established in 1871 by Joseph I. Irwin

As this is a private bank, its depositors have the security, not only of its capital, surplus and other assets, but also of all the property of the owners of the bank.

÷ MUSIC ÷

Everybody Likes It!

Nothing like an orchestra for fun and profit. Why not organize one? String instruments and drums produce the melody and rhythm of modern syncopation. Let us tell you how easy it is! Play for dances. Make yourselves popular. Just a little spare time needed to learn. A few weeks' practice and you can play well—soon qualify for orchestra work and profit.

No matter what you choose to play—string instrument, drums, piano or band instrument of any kind—we have it.

Learning While Saving

From boyhood it was said of Abraham Lincoln that he was a "learner." In his ambition to post himself he sat at the feet of whoever could teach him. In time he overtopped them all.

The "learner" rises above his competitors in all life's activities. He masters conditions because he learns all about them.

We sit at the feet of the public learning and posting ourselves of the needs of this community as best we can.

Diligently applying ourselves to the responsible task of providing Dry Goods, Ladies' Ready-to-Wear, Clothing and Shoes when needed is the virtue to which may be traced much of the extraordinary growth of this store.
